

Conestoga Wagon Co.® Turnkey Building Info

Our Conestoga Wagon Co.® Turnkey Buildings are highly customizable to meet the needs of your property. In addition to the options below, we will be happy to quote a custom interior with firm cost determined after design is approved.

Turnkey Buildings are 16' x 8' and built on a steel frame, easily moved with a large forklift.

Each of our handcrafted Turnkey Buildings include these full features**:

**Some premier features listed below can be optional and will reduce price with deductions as stated below.

Conestoga Wagon Co.® 2021 Premier Shower House

Steel Frame, 16' x 8' footprint

Two units in each building. Each unit includes:

- Washable Interior Walls with Insulation
- Full Front Porch with Cypress wood
- Laminate Floor
- One Toilet
- 36" x 60" Shower Stall
- Sink
- Framed Mirror
- Toilet Paper and Towel Holders
- Shelves
- Plumbing and Electrical to External Connections
- Dual Head A/C and Heating Unit
- Interior and Exterior Lights
- On-demand Water Heater

Conestoga Wagon Co.® 2021 Standard Shower House

You may substitute the options at right to create the perfect Flexible Turnkey Building for your property:

No Air-Conditioning/Heating

Open-Stud walls instead of washable Laminate walls

No shelves

No toilet paper holders

No towel holders

No framed mirror
