

Conestoga Wagon Co.® Luxe Glamping Tent Info

Our Conestoga Wagon Co.® Luxe Glamping Tents with attached turnkey luxury bathroom has a canvas roof, front and side walls. Durable vinyl fly extends over entire deck, tent and bathroom area.

Bathroom is delivered ready to hook up to existing infrastructure and the sleeping area/deck arrives as a kit.

For the Property that wants to offer the amenities of a high-end hotel to the guest who enjoys the outdoors, we have designed a tent with a full bathroom separated from the sleeping area with a wooden wall.

Each of our handcrafted Luxe Glamping Tents include these standard features:

Conestoga Wagon Co.® Luxe Glamping Tent Standard Features

- 32' x 16' footprint with 8" timber beams supporting tent and fly
- Durable vinyl fly extends over entire deck, tent and bathroom area
